NEW FOUNDLAND

ALMANAC

EXPLANATORY NOTICES,

FOR THE YEAR OF OUR LORD

Owing to the great expense of illustrations, together with the limited sale of the Almanac in Newfoundland, the Compiler has very reluctantly been obliged to abandon his original design of furnishing engravings. He trusts, however, that the present Almanac bears evidence of perseverance in the attempt to improve upon the work of the previous year.

The compiler begs leave to tender his most cordial acknowledgments to his friend and talented countryman, Mr. ST. JOHN, of Harbour Grace, to whom he is indebted for the Astronomical calculations.

VARIATION OF THE COMPASS.

From the Records of Her Majesty's Magnetic Observatory.

The mean variation at Toronto, for the year 1847, was $1^{\circ} 36'$ West (nearly); it increases about 3' every year. The variation undergoes a daily change, being least from 7 to 8, A.M., and greatest from 1 to 2 P.M. The variation is least liable to fluctuations in the afternoon; it is near its mean value at 10 A.M., and 6 to 7 P.M.

The Magnetical and Meteorological Observatory was founded by Her Majesty's Government in 1840, in concert with similar establishments in other Colonies and in India. Similar establishments have been maintained at Washington, Philadelphia, and Boston, in the United States, and in most European countries.

OF INTEREST TO ALL!

TO THE LADIES.

The Genuine Balm of Columbia

FOR RESTORING THE HAIR.

"Long hair is a glory to woman," says Paul,
And all feel the truth of this pious quotation,
Preserve it then, ladies—your glory may fall,
Unless you protect it with this preparation.

If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, state, or condition, appears to be no obstacle whatever; it also causes the fluid to flow with which the delicate hair tubes are filled, by which means thousands (whose hair was gray as the Asiatic eagle) have had their hair restored to its natural color by this valuable remedy. In all cases of fever it will be found the most pleasant wash that can be used. A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled. It holds three times as much as other mis-called hair restoratives, and is more effectual.

Caution.—Never buy it unless you find the name of Comstock & Co., proprietors, on the wrapper of each bottle, or you are cheated with a counterfeit article.

Connell's Magical Pain Extractor.

THE WORLD'S WONDER—PRONOUNCED SO BY ALL
WHO HAVE EVER USED IT.

White Swellings, Inflammation, Pain in the Back, Weak Limbs, Tender or Sore Feet, and all Scrupulous Sores are speedily and permanently cured by Connell's Magical Pain-Extractor; Affections

of the Lungs, Ague in the Face, Breast, Tic Dou-
loureaux, Chronic Sore Eyes, Blistered Surfaces,
&c. It is equally beneficial in all kinds of Inflam-
matory Diseases, such as Sore Nipples, and Eyes,
Sprains, Rheumatism, White Swelling and Ulcers,
Bruises, Burns, Chilblains, Erysipelas, Biles, &c.
—will quickly be relieved by the application of
this salve. This remarkable sanative possesses
many virtues never in any other article. It has
the most perfect power over all pains by fire, po-
sitively allaying the suffering almost immediately
upon its application. If any disbelieve the state-
ment, we would earnestly invite them to call and
examine the numerous unsolicited certificates of
remarkable cures wrought by this salve. It has
for months past been sold upon the following lib-
eral terms, to wit; if the user was not perfectly sat-
isfied, and even delighted with its effects, and,
furthermore, if it did not fully answer our recom-
mendation, their money was returned immediately
at their request. On these terms this absolute
heat-all is now sold; and we simply ask if the
public can demand anything more reasonable?
Kind parent, keep it constantly on hand; in cases
of accident by fire, life may be lost without it; but
by its use all burns are subject to its control, unless
the vitals are destroyed. **Caution.**—No Pain
Extractor can be genuine unless you find the sig-
nature of Comstock & Co. on the wrapper of each
box. Beware of counterfeit.

Rheumatism.

Comstock's Hewes' Nerve and Bone Liniment,
and Indian Vegetable Elixir, is warranted to cure
any case of Rheumatism, Gout, Contracted Chords
and Muscles, or Stiff Joints, strengthens Weak
Limbs, and enables those who are crippled to walk
again. Use this article and be cured, or go with-
out it and suffer, as you please. Certificates of
cures by the hundred can be seen at 57 John st.,
N.Y., where this article is sold only genuine.

like the buzzing of insects, falling of water, whiz-
zing of steam, which are symptoms of approaching
deafness. Many persons who have been deaf for
ten, fifteen, or twenty years, and were subject to
use ear-trumpets, have, after using one or two
bottles, thrown aside these trumpets, being made
perfectly well. It has cured cases of ten, fifteen,
and even thirty years' standing of deafness.

Hays' Liniment for the Piles.

The worst attacks of the Piles are effectually and
permanently cured in a short time by the use of
the genuine Hays' Liniment. Hundreds of out
first citizens throughout the country have used this
liniment with complete success. It is warranted
to cure the most aggravated case.

Dr Spohn's Sick Headache Remedy

Who will suffer with that distressing complaint,
when a remedy is at hand that will not fail to cure
you? This remedy will effectually destroy any at-
tack of headache, either nervous or bilious. It has
cured cases of twenty years' standing.

Mother's Relief—Indian Discovery

All expecting to become mothers, and anxious to
avoid the pains, distress and dangers of child
bearing, are earnestly entreated to calm their fears,
allay their nervousness, and soothe their way by the
use of this extraordinary vegetable production. —
Those who will candidly observe its virtues, must
approve of it in their hearts; every kind and affec-
tionate husband will feel it his most solemn duty
to alleviate the distress his wife is exposed to, by
a safe and certain method, which is, the use of this
Mother's Relief.

Longley's Great Western Indian Panacea.

1. For Colds and feverish feelings, and preventing
fevers. 2. For Asthma, Liver Complaints, and Bil-

ious affections. 3. For Diarrhœa, Indigestion and Loss of Appetite. 4. For Costiveness in females and males, and nervous complaints. 5. For Stomach affections, Dyspepsia, Piles, Rheumatism &c. The great points are, it is not bad to take never gives pain, and never leaves one costive.

☞ Dyspepsia and Liver complaint cured, and all Western and Southern Fevers prevented, in every case by the use of Loagley's Great Western Indian Panacea, warranted to cure the most severe cases of the above complaints. Loss of appetite, bilious affections and indigestion, are permanently cured by its use. The great points are, it is not bad to take; it does not leave the bowels costive, and never gives pain in its operations.— This Panacea will remove all the bad bile from the stomach and give tone to the system, and keeps off all attacks of malignant fevers. If the stomach is in a healthy state, and the pores of the skin are open, so as to admit of free exhalations from the body, there can be no attack of fever. This office the Panacea will positively perform, and we recommend all to try this article if they wish to ensure health during the year. As a family medicine, it is unparalleled for coughs, colds, and all diseases of the blood, and kidney and scrofula complaints.

Have you a Cough?—Do not Neglect it.

Thousands have met a premature death for the want of attention to a common cold. Rev Dr Bartholomew's Expectorant Pink Syrup will most positively give relief and save you from that most awful disease, Pulmonary Consumption, which usually sweeps into the grave thousands of the young, the old, the lovely and the gay.

The Great Pain Killer.

No medicine has been discovered that is so happily adapted to use internally as drops to be taken, and yet perform such wonders when applied externally as a wash, or bath, by friction. A York Shilling (12 cents) is all you have to risk to try it; and as that sum can be no object to the propri-

ator, it is hoped that such a price can be no obsta-
cle to any family, and will never prevent its trial.

It is not intended to put this great healing re-
medy into the hands of druggists, who have so many
useless things of their own to recommend, but look
for it always with country merchants, or in towns
in fancy or dry goods stores, or in temperance
groceries. The price from twelve to fifty cents
per bottle, according to the size, will enable all to
use it. If you doubt begin with a twelve cent bot-
tle; and that will remove your doubts, and make
you buy and use and recommend it to your friend
more than a hundred certificates would. Who will
fail to try it then, and save life and suffering for
a York Shilling?

This "PAIN-KILLER" may be used with a
success that will astonish the beholder, in such ca-
ses as the following:—Cholera Morbus, Distressing
Dysentery, Pain in the Side and Stomach, Corns,
Cuts and Bruises, Cholera Infantum, *Bronchitis*,
Healing Sores on Man or Beast, Children Teeth-
ing, Raising Blood, Hoarseness, Quinsy in a few
hours, Chilblains, Frosted Feet, Spasms, Prevent
a Blister from Burns, Proken Breasts, Measles,
Cramps, Hurts, Scratches, or Torn Flesh, Bites or
Stings.

CERTIFICATES to fill a volume might be pub-
lished, showing the wonderful effects of "Mrs.
Brown's Pain Killer," but they are too common,
and used for articles of no merit; and the One
Shilling bottle will do more than a thousand un-
known names to convince the user.

Startling Facts.

Hundreds of children and adults are lost yearly
with worms, when some other cause has been sup-
posed to be the true one. It is admitted by all doc-
tors, that scarce a man, woman or child exists
but what are sooner or later troubled with worms,
and in hundreds of cases which exist, a *supposed*
fever, scarlatina, cold, or some other ailing carries
off the flowers of the human family—while in truth
they die of worms! and these could have been era-
dicated in a day, by the use of a bottle of *Kolm-*

THE PHOENIX OFFICE

(Where Fire Insurances may be effected on the most favourable terms)

Was established by a numerous Proprietary in January, 1782, upon principles of public utility. The promptitude and cheerfulness with which the most important losses have been made good by the Company are well known, and a large capital, in Government securities, is at all times held in readiness for that purpose.

The private fortune of every individual Shareholder in the Company is responsible for its engagements, and no person insured in this Office is liable for the losses of others, as in the case of Contribution Societies.

The undersigned having been appointed the Agents of the above Company for the Island of Newfoundland, are prepared to give every information as to rates of Premium, &c., on application, and to grant Policies of Insurance against Loss or Damage by Fire, on the spot, by which a saving of the Stamp Duty (chargeable on all Policies issued in England,) will be effected.

ESTABLISHED MARCH, 1824.

Persons effecting Assurances with the ALLIANCE COMPANY, enjoy the following important Advantages.

I.—PERFECT SECURITY.—The large Capital, and nearly One Thousand Shareholders composing the Company, render the Security presented to the public undoubted.

II.—MODERATE PREMIUMS OF ASSURANCE.

The Rates of the Premiums of Assurance, for the grearer part of LIFE, will be found lower than those in use in many of the older and most respectable offices:

The Premiums of Assurance on FIRE are the same as those which are demanded by the first class of Assurance Companies.

III.—PARTICIPATION OF PROFITS BY THE ASSURED BOTH IN LIFE AND FIRE.

THE PROFITS of the LIFE Department, appropriated every Five Years, are applied either to the reduction of the rate of the future Premium to be paid on the Policy, or to the increase of the Sum assured on the Life, as is most agreeable to the Assured; the party to make his choice at the time the proposition for Assurance is made.

The PROFITS of the FIRE Department appropriated to the Assured, are distributed at the close of each successive period of Five Years, in the form of a percentage on the Premiums which have been paid.

 See next page.

IV.—Parties who obtain a settlement of losses by Fire are not thereby deprived of their right to participate in the profits of the Company.

V.—Losses by Lightning are made good.

The undersigned beg leave to announce, that having been appointed Agents for Newfoundland to the above Company, they are prepared to receive proposals for FIRE and LIFE INSURANCE, and to issue POLICIES on the spot, by which means a saving of the stamp duty on Policies will be effected.

THE SUGAR COATED PILLS!

A NEW SARSAPARILLA PREPARATION.

HALSEY'S PILLS ARE UNLIKE ALL OTHERS!

They act directly on those vital organs of the Stomach, Liver, Kidneys, &c., which secrete the fluids and separate the impurities from the blood. While they purge from the stomach and bowels all bilious and morbid matter, they cleanse and renew the blood, thereby destroying the seeds of disease. HALSEY'S PILLS do not weaken, but give strength and animation to both body and mind. They neither cause griping, nor any inconvenience whatever. The patient is better able to attend to business while under their influence than before taking them. Their action is innocent, yet efficient; are mild in operation, yet powerful in restoring health.—1s.3d. per Box.

HALSEY'S

FOREST WINE!

Better, pleasanter, and more effective than any remedy ever discovered; cures without purging or nauseating; can be taken at any time without hindrance from business; and possesses a delightful, bitter flavour, almost equal in taste to good Port Wine, and by far the *Cheapest Medicine in the World*, being put up in quart bottles for One Dollar, while the contents of one bottle goes further, and produces ten times as much good, in the cure of disease, as the same quantity of any other remedy in use. The Forest Wine is recommended for the permanent cure of Dropsy, Gravel, Jaundice, Dyspepsia, Costiveness, Rheumatism, Gout, Loss of Appetite, Complaints of the Liver, Heart, Kidneys and Stomach, Colds, Coughs, and Consumptive Declines.
